Dragi učenci,

pa smo nazaj. Upam, da ste imeli prijetne, čeprav malo drugačne počitnice. Kot kaže, se na šoli morda ne vidimo do konca tega šolskega leta. Zato vas vabim, da mi napišete mail, v katerem opišite, kako se vam zdi takšen načrt zaključka šolanja, o čem razmišljate itn. V kratkem vam pošljem tudi načrt dela do konca šolskega leta in ocenjevanja. V mailu lahko napišete oz. predlagate kaj na to temo.

My dear students,

tell me what is your view on a current (schooling) situation, are you happy or not for not going back to school for now. Did you expect any other outcome? What is positive about not going back now? What is not so great? What do you think, how can fair tests and grading be assigned with distant learning?

I have some ideas regarding the last question but want to hear your answers as well.

I'm expecting your emails ASAP (as soon as possible) and I'm looking forward to your writings.

*Kind regards,
teacher Ivana*
